

❧ GUT SOOTHE ❧

Do your customers' dogs need support with:

- ❧❧❧ Diarrhea
- ❧❧❧ Vomiting
- ❧❧❧ Bladder Infections
- ❧❧❧ Lung or Breathing Issues
- ❧❧❧ IBD (Inflammatory Bowel Disease)
- ❧❧❧ Acid Reflux
- ❧❧❧ Collapsing Trachea
- ❧❧❧ Sinus Issues
(Especially for Bully Breeds)

***If any of these symptoms are emergencies or life-threatening, please ask your customer to see their trusted veterinarian.

What Is Gut Soothe?

A proprietary blend of herbs, nutraceuticals, and pre/probiotics that targets, soothes, and replenishes the lining of the gut, fights yeast, combats unhealthy bacteria, supports the immune system and foundational health.

Did You Know?

- ❧❧❧ Many customers refer to Gut Soothe as the "natural diarrhea bandaid in a bottle".
- ❧❧❧ Gut Soothe can be just as helpful for dogs with lung issues as it is for digestive upset.
- ❧❧❧ Gut Soothe offers incredible immune support to help fight viruses and bacteria.
- ❧❧❧ Julie formulated this product specifically for the special needs of our canine friends.

Pro Tip

Gut Soothe offers digestive support and can help ease the effects of diet transitions.

Pro Tip

It is great to take along while traveling, for changes in drinking water, long car rides, moving to a different food... or when an animal is staying in a kennel or being taken care of by someone else - basically anything that could cause digestive issues brought on by anxiety.

Julie also recommends Gut Soothe for any dog who has been, or is currently, on antibiotics.

Directions for Use

Add to food once per day according to your dog's weight.

ANIMAL WEIGHT	DAILY SERVING
1 – 5 LBS	1/4 TSP
6 – 15 LBS	1/2 TSP
16 – 39 LBS	3/4 TSP
40 – 59 LBS	1 TSP
60 – 89 LBS	1.5 TSP
90+ LBS	2 TSP

Ingredients

Aloe

Aloe Vera is known for its healing effects on the skin and intestinal tract.

Marshmallow Root

Protects the tissue and has soothing effects on the stomach, intestines, bladder, and lungs.

L-glutamine

L-Glutamine is an amino acid that is essential in the healing of leaky gut. It supports the strength of the mucosal

lining and the proper functioning of the gastrointestinal tract and acts as a protector against the irritants that cause inflammation.

N-acetyl Glucosamine (NAG)

Helps to decrease inflammation and pain in the digestive tract, urinary tract, and respiratory system.

Deglycyrrhizinated Licorice (DGL)

Can support the protective layer of the digestive tract and improve circulation.

Slippery Elm Bark

Soothes the mucous membranes of the digestive and urinary tracts and respiratory system. It helps to protect the stomach against ulcers, and inflammation.

14 Strain Probiotic Blend

1 billion allergen-free colony forming units of our cherry-picked multi-strain probiotic blend provides beneficial bacteria to establish healthy colonies and keep bad bacteria at bay.

Larch Arabinogalactan

A prebiotic that feeds probiotics, helping to keep them healthy and viable, reducing incidents of chronic infection with the added benefits of having anti-cancer and immune-modulating properties.
